

Project 2025 - The MAGA Wishlist

4 Pillars

DAY 1:
A transition "playbook" that would gut agencies such as Dept Education; Homeland Security; EPA; FDA; DoJ; FBI; NOAA.

TRAIN:
A "Presidential Administration Academy" to train political appointees to promote MAGA agenda.

PERSONNEL:
Database of 20k+ Trump loyalists ready to replace govt positions on Day 1.

PLAN:
A 900+ page Roadmap of the MAGA wish list to completely dismantle how our government works.

Infrastructure for

Dismantling the Federal Government

Plan for

Project 2025:
"Mandate for Leadership" a Heritage Foundation initiative

Lays out the plan to

Eliminate REPRODUCTIVE RIGHTS & Affordable HEALTHCARE

Push people towards private Medicare plans with worse health outcomes (p.463).

Cut veterans' disability benefits (p.649-50).

Block Medicare's new ability to negotiate lower drug costs for seniors. Increase cost of lifesaving medication (p.465).

Allow invasive surveillance of women's health. Force states to report miscarriages and abortions (p.455-56, 497).

Complete ban on abortion without exceptions & ban contraceptives (p.449-503).

"Abortion pills pose the single greatest threat to unborn children in a post-Roe world.... The FDA should reverse its approval of chemical abortion drugs." (p. 457)

End medication abortion, revoke FDA approval, criminalize mailing abortion medication (pp.462, 458-459)

Allow employers to deny workers access to birth control coverage. (p. 483-85)

In addition to monitoring women's pregnancies and miscarriages, Project 2025 suggests that the Dept of Health and Human Services should "maintain a biblically based... definition of marriage and family."
