Project 2025:
"Mandate for Leadership"
a Heritage Foundation initiative

Stamp out the language of social justice.

See next page for additional info and page #s.

Project 2025 "Mandate for Leadership" is a manual for the War on Woke. It is pervaded with invective against "Wokeism," critical race theory, and DEI founded in a relentless "reverse racism" argument that posits that the real problem is "anti-white racism" and colorblindness is the basis of a just society.

Project 2025 "Mandate for Leadership" Page Numbers

Systemic Racism and Discrimination		Page #
Language	Stamp out the language of social justice: "The next conservative President must ... [delete] the terms sexual orientation and gender identity ("SOGI"), diversity, equity, and inclusion ("DEI"), gender, gender equality, gender equity, gender awareness, gender-sensitive, abortion, reproductive health, reproductive rights, and any other term used to deprive Americans of their First Amendment rights out of every federal rule, agency regulation, contract, grant, regulation, and piece of legislation that exists."	4,5
Discriminate	Embolden racial discrimination in everything from housing to education to employment.	72, 583
Police	Further empower and militarize the police force.	553
Disparate impact	End "disparate impact" standards in housing, education, and employment. (Disparate impact = discrimination against marginalized groups by nominally neutral policies, rules, or practices).	72, 583, 334-36
Climate	Eliminate the EPA's Office of Environmental Justice and External Civil Rights, put communities of color, which have historically borne the brunt of health impacts from pollution, at increased risk.	421
Affirmative Action	Reclassify affirmative action and diversity programs as discriminatory, tasking the FBI to investigate and prosecute DEI efforts across the nation.	561-62
DEI	Ban efforts in the federal government and military to end institutionalized racism and increase diversity, racial equity, and inclusion by firing government workers who have participated in DEI training, blocking data collection, and ending the Fair Housing Act (which prohibits discrimination against non-white	RWB
Equity	Reverse "the racist 'equity' agenda of the Biden Administration.	692
Colorblind	Prohibit teaching about systemic racism (i.e., critical race theory), white privilege, and the history of U.S. slavery because it violates community standards of equality under the law and colorblindness thus violating the Civil Rights Act of 1964.	342-44
DEI and data	Dept of Labor: Defund all critical race theory trainings, eliminate racial classifications, and block data collection. 582	582-83
Ideological conformity	Dept of Treasury: Eliminate the Treasury Advisory Committee on Racial Equity. Eradicate the practice of critical race theory and diversity, equity, and inclusion (DEI) in the department. Identify employees who have participated in DEI trainings without protest and terminate them. 708	708
Military promotions	DoD and State Dept: "Large swaths of the State Department's workforce are left-wing" and the National Security Council should only promote flag officers who do not prioritize "social engineering and non-defense related matters, including climate change, critical race theory, manufactured extremism." 88	88
Ideological conformity	DoD: Eliminate Marxist indoctrination and divisive critical race theory programs and abolish ... diversity, equity, and inclusion offices and staff.	103
Housing	HUD: "Repeal climate change initiatives" and reverse "progressive ideology."	508, 515
Wokeness	Dept of Education: "is a convenient one-stop shop for the woke education	285

LGBTQ+**Page #**

Equity	Undermine gender equity across the government.	62
Adoption	Allow more discrimination against LGBTQ+ families by (faith-based) adoption and foster care agencies.	477
Employment	"Rescind regulations prohibiting discrimination on the basis of sexual orientation, gender identity, transgender status, and sex characteristics." 584	584, 586
LGBTQ+	Make it easier for charter schools to discriminate against LGBTQ+ students. Project 2025 would loosen data collection requirements for charter schools, undoing recent progress made by the Biden administration which has ensured that data collection better includes transgender, non-binary, and gender nonconforming students.	332
Non-binary	Exclude nonbinary and gender nonconforming students from demographic data, undermining civil rights protections. 332	332
Marriage	End marriage equality. Promote traditional marriage only, denying recognition and support to single mothers and LGBTQ+ families.	482, 545-581
Gender policy	Eliminate the White House Gender Policy Council, which is key to promoting contraception access, gender-based violence prevention, and women's health equity. "Abolishing the Gender Policy Council would eliminate central promotion of abortion ("health services"); comprehensive sexuality education ("education"); and the new woke gender ideology, which has as a principal tenet "gender affirming care" and "sex-change" surgeries on minors."	62
Gender policy	Health and Human Services: Do not enforce any prohibition on sexual orientation and gender identity discrimination.	495-96
